

32-12A/620A/EIA

* 2x32x1RU 1/4" Long-Frame Panel with 620A SKINI Solder Tab Jacks

* The 620A 1/4" Long Frame Jack is B-Gauge compatible.

This jack is mechanically and electrically the same as all other jacks we manufacture, the only difference is the narrower 620A SKINI jack profile.

620A Jack
